THE ALPINE WAY

City Council Member Message by Jessica Smuin

Preserving Our Alpine Heritage

Did you know that the poppies in Lambert Park were planted in 1910 with seeds brought from England by George Lambert? With the help of 60 Alpine residents, city staff and grant funds awarded by the Utah Office of Outdoor Recreation, the first steps were taken to protect the diminishing Lambert Park Poppy Garden and the Homestead Ruins. This historic and treasured area of our city will be closed for repair and planned for reopen after restoration and improvements are made.

Local author and artist, Dennis Smith, wrote “When I think of George Lambert and the unsuspected heritage that outlived him, I wonder what will succeed me after I am gone? I realized it is impossible to know. How could Lambert have envisioned at the time he planted them, that a cluster of poppies would become such a profound bequest to people he would never meet?”

George Lambert teaches us that even the smallest actions we take today can have a profound impact on the legacy we leave behind.

Strengthening Our Community

It is comforting to be a part of a community that cares deeply for its roots. It is humbling to live among neighbors that serve. It is inspiring to take part in The Alpine Way – caring, serving, planning, protecting, and building a strong community.

We need your help! To lend a hand with the poppy restoration or other civic projects, contact City Council Member Jessica Smuin at 801-473-1236

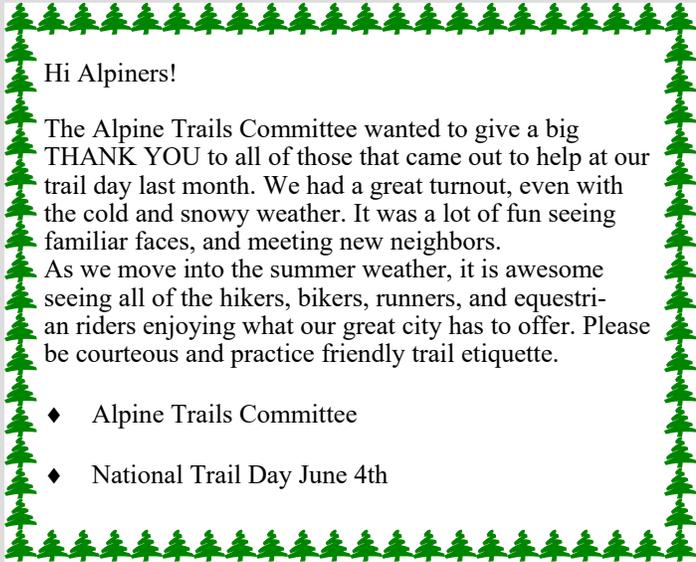

Local youth groups, their leaders and concerned residents work together to fence the poppy garden and Lambert Ruins to prepare for restoration.

City officials team up with Alpine residents.

Susan Whittenburg – planning commission, Jessica Smuin – city council, Jeff Davis – planning commission and Mayor Carla Merrill.

Hi Alpiners!

The Alpine Trails Committee wanted to give a big THANK YOU to all of those that came out to help at our trail day last month. We had a great turnout, even with the cold and snowy weather. It was a lot of fun seeing familiar faces, and meeting new neighbors.

As we move into the summer weather, it is awesome seeing all of the hikers, bikers, runners, and equestrian riders enjoying what our great city has to offer. Please be courteous and practice friendly trail etiquette.

ALPINE YOUTH COUNCIL 2022-2023

Alpine Youth Council is excited to start a new year of service. The new council, with 46 members, was sworn in by Judge Kelly Bullock-Schaffer on May 19 at City Hall. Within the council Paige Topham is the new mayor and Andrew Saxey, Brooklyn Reeve, Cate Allen, Jacob Ogden, Maddie Smith, Maddox Peay, Paige Petty, Reagan Wright, and Jacqueline Barton are on the leadership board. AYC looks forward to serving our community in many different capacities this year.

MEET TRAVIS AUSTIN

Alpine City Public Works Technician

Travis was born and raised in Alpine. His father, Lowell, was also born and raised in Alpine and worked for Alpine city along side Bill Devey. His great grandfather, David Hamnett, was one of the first settlers of Alpine. Travis' wife Karin is from Highland and they have three beautiful daughters ages 29, 26, 23 a son 21 and a five year old granddaughter.

Travis' job is to maintain all of the infrastructure within the city. He has been with Alpine City for over eight years. A few examples of his responsibilities include the following:

Culinary water, pressurized irrigation, sewer, storm water maintenance and repair. Road maintenance, snow removal, sign repair and installation. Sidewalk repair and maintenance. Vehicle repair and maintenance.

Travis is currently installing the pavilion and playground at Healey park, as well as doing the curb and sidewalk on Canyon Crest.

His hobbies include hiking, camping, hunting, spending time with family and friends. Travis also loves going to live concerts and is an avid cook! His favorite food is seafood.

If you happen to see Travis, take a minute to thank him for his commitment to maintaining and improving Alpine.

Summer Reading: Oceans of Possibilities for Learning*

May 31-July 30

For all ages

Track your daily reading and earn prizes!

Friends Across the Ocean

May 31—July 30

This summer, we have a sister library in Guatemala! Every week, read letters from our friends in Guatemala and write back!

Sunshine Stories*

Wednesdays @ 10AM

Ages 0-5

Read stories on the lawn with Miss Sheridan and make a craft!

Sea Crafts*

Wednesdays @ 10AM

Ages 6-11

Come make fun ocean crafts on the lawn behind the library!

Teen Writers Group*

Thursdays @ 4PM

Ages 12-18

Learn creative writing skills & eat snacks with friends!

Teen Corps*

Every other Saturday starting

June 11 @ 1PM

Ages 12-18

Get some experience for Job/ College applications and help the librarians prepare for programs and events.

*Highland City Library card required

Submission of Information to the Newsline

Due: 15th of the month

Email to bcoper@alpinecity.org

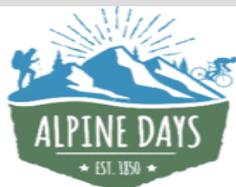

Do you have a water leak?

With the installation of the new meters, you may now get an app on your phone or use your computer to monitor your daily water use. It will also alert you if you have a leak, which will save you \$ and precious water.

To sign up on your computer, go to EyeOneWater.com and create an account using your zip code and your Alpine City account #, which is on your water bill. Use all the numbers but don't type the decimal point. (account 382.7 would be 3827)

To get the app on your phone, go to your App Store and search for Eye On Water. Choose the one that says "Making Water Visible" with the blue water droplet. Get the app, Install app, Open, Sign Up, Enter zip code and account # (no decimal point), Continue, Yes, that's me, Create account, enter email, create password, accept account terms, Verify email. Go to your email, find the one from Eye On Water, click Verify My Email, Enable notifications.

Questions on signing up? More info at www.alpinecity.org or call City Hall at 801-756-6347 x 2.

Just a reminder with spring quickly approaching here are just a few tips to help keep our city and environment clean.

- ◆ **Driveways & Sidewalks:** Sweep sidewalks, patios, and drives when cleaning up, rather than hosing them down with water. Use rags and dry absorbents to clean up spills, then dispose of according to packaging directions.
- ◆ **Pets:** Pick up pet wastes and dispose of them in the toilet, trash, or bury them. When allowed to reach water bodies, pet wastes decompose and use up much of the oxygen needed for animals and plants to survive.
- ◆ **Lawns:** Use fertilizers and pesticides sparingly. Do not apply products in the wind or rain. Turn spreader off while crossing sidewalks or drives so the product does not wash into the storm drain. Do not blow lawn clippings into the street. Mulch your lawn when possible rather than bagging the clippings.
- ◆ **Car Care:** Perform regular vehicle maintenance to minimize leaks. If you change your own oil, recycle the used oil and filter at the nearest location. Wash your car in a grassy area to allow the water to infiltrate through the soil. The top layer in the soil traps pollutants, preventing them from migrating to the storm drain.

Watering Schedule for 2022

Odd numbered addresses—Mon, Wed, Fri *

Even numbered addresses—Tue, Thu, Sat*

Hours to water are between 7 pm to 7 am. Odd addresses may begin watering at 7 pm on Monday. Even addresses may begin watering at 7 pm on Tuesday. And so on.

City parks, schools, churches, and agricultural users will be on a different schedule. In order to balance the use, they may be watering during the day.

* You are not obligated to water 3 times a week. Some have found better results watering 2 times a week for longer periods.
