CITY COUNCIL MEMBER MESSAGE

By Kelli Law

Hard to believe it is 2022 already. We are now going on two years since the start of a pandemic. We have been through an economic shut-down and seen division in everything from healthcare to economics and an unprecedented curtailing of freedoms in this country. With all of this turmoil Alpine has mostly survived and thrived. I am grateful for the people in this community and how they honor the constitution and the freedoms that make us uniquely who we are. What a great honor it is for me to be serving the people of Alpine. As I have gotten to know the people who work for the city, in the offices, in planning, administration, engineering, legal, those who care for and maintain our city, and those who keep us safe, I am so impressed by each of them and how much they care about their roles in keeping Alpine, well, Alpine. They keep us safe, they help us when we are in need, and when the citizens, through the city council, require a change, they do their very best to meet those requirements. It has been really great to see "behind the scenes" and see how the city works.

In talking with my wife the other night we were expressing our gratitude that we may be living in the cleanest, safest, best place on earth right now!! What I would wish for Alpine as we head into 2022 is each of us to match that beauty, freedom and safety we feel on the outside in our city with what is in our hearts. We are very privileged to live in Alpine and may our hearts match that privilege. May we serve each other with the same care and concern that we are served, may we treat each other as equals and everyone with respect and honor. May each person in this city feel as safe in the private conversations of others as we do driving on our streets. Let us have a public discourse that is not coarse, but seeks to find meaning and common ground and disagree agreeably when needed. Let's put that same effort and pride we put into our community into how we treat one another. What a beautiful city we have. What amazing people we have living in it. Here's to making 2022 another amazing year in Alpine!

Lambert Park's New Walking Trail Coming Soon!

Regulars in Lambert Park have noticed that the High Bench Trail has been altered. This is part of a new trail that will be for **foot traffic** only. Dustin, the trail builder, has been hired by Alpine City to make these changes. Please be respectful of him and his work. With rising usage of Lambert Park, this trail will alleviate congestion by creating a dedicated space for our walkers, runners and hikers. Once it's complete, the loop of over two miles will provide increased visibility and safety for everyone.

HORSES - It is critical that horses stay off of wet or muddy trails. Our brand-new trails are especially soft and are easily destroyed by the heavy animals. Please don't ride your horses on our new trails!

SPRING TRAIL DAY - Saturday, April 23, 2022 at 8:00 am will be our next city trail day. Mark your calendars now to come help with spring clean-up, pruning, and drainage.

ALPINE YOUTH COUNCIL

The Alpine Youth Council is now accepting applications for 2022-2023. AYC provides terrific leadership and service opportunities for Alpine youth who will be attending high school next year. Applications are due by March 1st. We will be holding interviews March 17th at 6pm at City Hall for every one who turned in an application on time. The new council will serve from May, 2022 through April, 2023.

Visit the Youth Council page at www.alpinecity.org for application forms and information.
