ALPINE NEWSLINE

MAYOR'S MESSAGE
by Mayor Carla Merrill

Alpine City in partnership with Highland City received a grant from Mountainland Association of Governments (MAG) to conduct a study and create an Active Transportation Plan (ATP) for our cities. This grant will cover 93.3% the total cost of the study. Horrocks Engineers was awarded the contract and will be performing the study. The goals of the Active transportation Plan study is to make our streets safer and provide pathways for our pedestrians, bikers and equestrians; while also evaluating how to best connect to our neighboring communities. Horrocks is conducting a survey to gather the priorities for our residents. We want as many people to participate as possible and request your feedback. This is a plan for you and our community. Please take the 5 minutes to be part of this process and let your concerns and priorities be considered. The following website or QR code contains information regarding the ATP, survey, and also an interactive map which will allow you to leave comments. https://www.alpinehighlandconnections.com

WALKING AND BIKING CONNECTIONS
ALPINE & HIGHLAND

There will also be an informational public meeting on Wednesday, Nov 2 5:30-6:30 pm at Highland City Hall regarding the ATP. All are encouraged to attend and give input.

YOUR VOTE COUNTS

Don't Forget to VOTE
Election Day
**Tuesday
November 8th, 2022

Official Ballots Only

OFFICIAL BALLOT DROP BOX

SANTA IS COMING TO TOWN!

Monday November 28h
City Hall
6:00-7:00pm

Join us as we welcome Santa to Alpine and turn on the Alpine City Christmas lights!

A week before until the night of the event there will be a mailbox outside City Hall where children can write Santa letters and receive responses from Santa's elves.

WINTER PARKING

It is time to think about snow because we hope to receive some. From December 1 through March 31 vehicles are not allowed on the street from MID-NIGHT to 8:00 a.m. and anytime snow is present. Refer to Alpine City Municipal Code 11-346.

Another problem in the winter is when residents push snow from their property onto the street. This snow freezes and damages plows when they run into it. Alpine City code reads "It is unlawful for any person to deposit or cause to be deposited any snow upon any city street on the travel portion. It is also unlawful for any person to deposit or cause to be deposited any snow in such a manner as to obstruct a public sidewalk."

You may want to know which streets are plowed first. The arterial and collector streets are given first priority. These roads include, but are not limited to: Main Street, Canyon Crest, Westfield/ 200 North and Grove Drive. Next are the main residential streets, such as Ridge Drive, Healey Boulevard, Long Drive, 300 North and 400 West. Local residential streets are next, with cul-de-sacs plowed last.

HAPPY THANKSGIVING

CITY HALL WILL BE CLOSED THURSDAY & FRIDAY NOVEMBER 24TH & 25TH FOR THE THANKSGIVING HOLIDAY

LIGHT THE WAY

We can scarcely believe that another year seems to have passed by in what feels like the blink of an eye. It seems as though it was just year that I was greeting old friends and making many new friends at our annual luminaire sales. With that being said, the Luminaires Committee in conjunction with the Lone Peak Color Guard is pleased to announce that we are now accepting pre- orders for this year's Christmas Eve event.

Each of our kits 20 long burning candles (8-10 hours), 20 weather resistant sacks, and enough sand to both weigh the sacks in place and to give you the longest burn time possible of the candles. Each kit will enable to average homeowner to line their frontage, while additional kits may be necessary for those living on corner lots, or those wishing to extend to their front door. The cost per kit is $25.00 this year, with profits from the sales benefiting the Lone Peak Color Guard. You may pay for your kits in advance by mailing a check or money order to:

Luminaires
88 north 200 east
Alpine, Utah 84004

You may reserve your kit online at our website, alpine-lights.org. Simply navigate to our homepage, under the online orders tab, and sign the guestbook. Provide your name, address, phone number and the number of kits you would like reserved in your name. Please be advised that we cannot accept online payments at this time.

All pre-ordered kits will be available for pick-up during our general sales during the following dates and times at the Alpine City Hall (20 North Main Street)

December 19th-23rd 4-6 pm

December 24th 10-2

Please bring a container to collect your sand, a 5 gallon bucket holds enough sand per kit.

Any questions you may have regarding this event can be directed to Joni Wootton, 801-787-7110.

Thank you for your continued support of this beautiful Alpine tradition.

Ages 4-11 Nov 21-26
Pick up a craft to make during the holiday. Available as long as supplies last. One per child.

Closed Nov 11, 24, & 25

*Highland City Library Card Required

Congratulations to Westfield Elementary
on receiving PTA National School of Excellence Award

Westfield Elementary School were one of only nine schools in all of Utah that earned it (Only 256 in the entire nation). West-field's PTA worked hand in hand with the community, the school staff and our social emotional wellness team to strengthen communication and better meet the needs of our students." Part of how the school did this was through communicating with our community and realizing our school needed a Wellness Room and creating one within our school.

ALPINE YOUTH COUNCIL

The past few months Alpine Youth Council has had the opportunity to participate in multiple service projects. In August, AYC met at Legacy park to paint a clear coat on wooden cars. These cars go through multiple steps to become the best toy for children in Africa. We know this simple act will make someone, somewhere very happy. Another project we got to work on was very close to home. We painted over graffiti under Alpine's bridge on Canyon Crest Road. Alpine Youth Council is loving all the service we get to do. And we are so grateful to help and serve such a amazing beautiful community.

MEET THE AMAZING LADIES AT ALPINE CITY HALL

CAROLYN RILEY

HR & TREASURER
PUBLIC WORKS ADMIN

When you come into City Hall you will likely be greeted by **Carolyn Riley**. Carolyn is originally from Downey, California and moved to Alpine 24 years ago. She loves her job, especially getting to personally talk with residents in town. She has made great friends with so many residents over the years.

Along with her daily responsibilities, Carolyn oversees Alpine Days, the website, fall and spring cleanup, safety meetings for public works and many, many other things asked of her to keep our town running smoothly.

Some of Carolyn's hobbies include cooking, volleyball, reading, watching grandkids, going to the gym, going to baseball and basketball games, serving others and her growing family.

She has four children and twelve grandchildren. Carolyn's oldest grandchild is 16 and the three youngest are five. Fun fact...When a grandchild turns 13-14, they get to choose (within reason) a place they would like to go to be just with grandpa and grandma. This gives Carolyn and husband Scott, of 38 yrs, the opportunity to spend one on one time with each of them.

HEIDI JACKMAN

ACCOUNTS PAYABLE
UTILITIES MANAGER
SOCIAL MEDIA

Heidi Jackman is another friendly face you will see in the front office when visiting City Hall. Heidi stays busy managing all residential utility accounts which includes contracts, meters, usage, etc.. Her other main responsibilities are paying the city bills, managing accounts and creating content for Alpine's social media platforms. Heidi designs the banners seen throughout town and works hard to make sure residents are kept in the loop on community events.

Heidi relocated with her family from Southern California 10 years ago. She is mom to four amazing children and Mimi to three of the best grand babies ever! She loves true crime and anything related to it along with listening to podcasts and reading. She enjoys hiking, photography, making Tik Tok's and taking naps. On her list of favorites is Alpine Days Dancing in the Street, Mexican food and Taco Amigo's peach shakes (including their fries). Heidi enjoys getting to know you and invites you to **come by City Hall and say hi!**

BONNIE COOPER

CITY RECORDER
CEMETERY SEXTON

On occasion you may spot **Bonnie Cooper** covering the front desk at City Hall. However, most of her time is spent as the City Recorder and Cemetery Sexton, a sexton is a "keeper of sacred things." She has the important task of managing all records for the city.

As the City Recorder Bonnie handles GRAMA requests and applications for business licensing. She records and transcribes meeting minutes of City Council and is responsible for publicly posting upcoming meetings and notices. Bonnie is your point of contact for all things cemetery, records and licensing. She is looking forward to the opening of the cemetery expansion, anticipated Summer 2023.

Bonnie grew up in Holladay, Utah. She graduated from Olympus High School and is the youngest of four children. Bonnie lost her husband, Howard, to cancer in 2019. They are proud parents of three children. Her son and daughter-in-law live in Poland, a daughter in California and the youngest daughter lives in Alpine.

Her hobbies include trying new recipes and traveling. She loves historical documentaries, Mexican food and Diet Coke.

THANK YOU FOR YOUR WELCOMING SMILES AND ALL YOU DO FOR OUR CITY!

Do you have a water leak?

With the installation of the new meters, you may now get an app on your phone or use your computer to monitor your daily water use. It will also alert you if you have a leak, which will save you $ and precious water.

To sign up on your computer, go to **EyeOneWater.com** and create an account using your zip code and your Alpine City account #, which is on your water bill. Use all the numbers but don't type the decimal point. (account 382.7 would be 3827)

To get the app on your phone, go to your App Store and search for Eye On Water. Choose the one that says "Making Water Visible" with the blue water droplet. Get the app, Install app, Open, Sign Up, Enter zip code and account # (no decimal point), Continue, Yes, that's me, Create account, enter email, create password, accept account terms, Verify email. Go to your email, find the one from Eye On Water, click Verify My Email, Enable notifications.

Questions on signing up? More info at **www.alpinecity.org**   or call City Hall at 801-756-6347 x 2.
