

NOTICE:

Your Street Will Be Closing

SATURDAY, AUGUST 30TH

Due to the weather, we will be doing a 2nd coat on your street
****See map on the back****

WHY IS MY ROAD CLOSING?

Roads in your city are having a pavement preservation treatment installed that will help significantly extend the life of asphalt streets. The benefits of properly maintained streets include higher property values, a smoother/safer ride, and reduced costs to the community by prolonging the need for replacement.

WHAT IF MY CAR IS PARKED ON A ROAD THAT IS CLOSED?

Work will commence at 7:00 AM and the streets being treated will be closed for 24 hours. A tow truck will be called for any cars parked on the streets scheduled to be treated that day. Please do not park within 50 feet of any street being worked on. Towing expenses will be the owner's responsibility.

WHAT IF I DRIVE ON THE ROAD WHILE CLOSED?

You will be liable for damage to your vehicle and to repair the area of road you have driven on. Minimum repair cost is \$750 to repair the installed surface treatment. In the event of a life-threatening emergency, emergency vehicles will not be stopped from driving on the treated surface.

ALL OUTSIDE WATER MUST BE TURNED OFF

Water may damage the installation of the surface treatment. **Please do not have sprinklers, hoses, etc... set to come on 24 hours before the road closure, during the road closure, or 24 hours after the road closure.** Damage due to outdoor water use will result in the same minimum repair cost of \$750 to repair the installed surface treatment.

SHUTTLE SERVICE

A shuttle service is being provided for your convenience from **7am until 7pm** while the streets are being treated. The shuttle will take you to/from your car. The shuttle service driver's ability to recognize the curing stage of the newly installed surface treatment and lighter weight vehicle makes this service possible.

To reach the shuttle please call (801) 598-1497. The shuttle number will be available to take your call beginning at 7am on your closure day.

SHUTTLE DISCLAIMER: There are times when the entire roadway is simply not available for any travel whatsoever and the golf cart will not be able to perform the service until the proper amount of curing has taken place. We appreciate your cooperation as we work to improve your roadways.

WEATHER CANCELLATION PROCEDURES:

If your street is cancelled due to weather, THAT DAY will be rescheduled with your city. All other days will proceed as scheduled. You will receive notification of your new closure date 2-3 days prior to the newly rescheduled date. You will not receive a cancellation notice (if we have removed the barricades, you can bring your cars back in) and you will not receive immediate notice of your new date. If you require earlier notification of your rescheduled closure date, please call the office number and we will be happy to let you know of any approved dates.

Project Contacts

HOLBROOK OFFICE @ 435-652-4427

Cody Seng @ 435-705-6156

Tom Bunnell @ 435-749-1373

ALPINE RESIDENTS:
The area highlighted in **YELLOW** will be CLOSED on SATURDAY, AUGUST 30th
for the Asphalt Resurfacing Project.

Please plan accordingly

A shuttle is being offered from 7am to 7pm
To reach the shuttle please call (801) 598-1497
